PROFESSIONAL EXPERIENCE

Zephyr Technologies & Solutions PVT LTD   09/2022 – 12/2022
Graphic Designer Intern   Mangalore, India
This Graphic design internship provided valuable hands-on experience in visual communication, with a stipend and collaborative work on diverse design projects.

EDUCATION

B.Tech in Computer Science Engineering   10/2020 – 08/2024
MITS, Varikoli   Ernakulam, India

Higher Secondary   06/2018 – 05/2020
SCS Public School   Thrissur, India

Secondary   05/2018
Green Valley Public School   Ernakulam, India

PROJECTS

Easy Life   12/2022 – present
Making Life Easy for the Differently Abled
Introducing a voice-controlled app for differently-abled individuals, providing a one-stop solution for their daily challenges. The app offers access to therapists, counselors, and medical professionals, disabled-friendly travel packages, and a job portal tailored to individual capabilities and interests.

Cafe and Store management system   02/2023 – 07/2023
This project will provide a one-stop solution Website for students and faculties to access cafe and stationery services easily by allowing them to place orders online, make payments, automate inventory management, and streamline operations.

Library management   12/2022 – 02/2023
Developed a website to efficiently manage the library's daily activities.
Used Java Swing as front-end framework.
Used MySQL as database
